

Farmhouses Mallorca Manacor - Property-ID 2304

This is one of our newer fincas. It is located between Manacor and the sea and surrounded by a nice countryside. A perfect spot for an undisturbed and peaceful holiday. Those who are interested in culture and history will enjoy the historic town of Manacor. Friends of nature and the sea will find a beach at Calas de Mallorca. Both are easy to reach by car and it takes no time to get there. The interior design of the finca is very wide open, bright and with many airy spaces. Perfect for the whole family. Especially because everything is on one floor, which makes it safer for kids. And what better way to spend a holiday than to sit outside with your family while dinning outside in the smooth evening? For this purpose there is a stone oven and a barbecue. And when the sun is shinning, why not cool down in the splendid pool or relax on the terrace or on the green lawn?
